Notification of Renewal
For AR0000000 For Facilities Discharging Stormwater
Associated with Industrial Activity

This is to give notice that the Water Division of the Arkansas Department of Environmental Quality (ADEQ), 5301 Northshore Drive, North Little Rock, Arkansas 72118-5317 at telephone number (501) 682-0623, has made a decision to renew General Permit Number AR0000000, which is set to expire on 6/30/2014, under the National Pollutant Discharge Elimination System and the Arkansas Water and Air Pollution Control Act. This permit authorizes the discharge of stormwater associated with industrial activities located within the State of Arkansas.

Once the draft renewal permit is ready, it will be public noticed in Arkansas Democrat Gazette for 30-day comment period to receive comments from the citizens and current facilities with permit coverage.
