To whom it may concern,

Please find enclosed the Notices of Intent (NOI) for the City of Conway Street Department to be covered by the general permits for a Truck Wash facility and stormwater discharges associated with Industrial Activity.

The City of Conway has previously submitted NOI, SWPPP, and payment for both required permits. ADEQ received this documentation on 24 June 2016 and assigned tracking numbers ARR001547 and ARG750102. ADEQ subsequently indicated the Truck Wash NOI required an Industrial Wastewater Operator License Number before Notices of Coverage for these permits could be issued. Two Street Department employees completed training and certification in April 2017 and the license number has been included on the Truck Wash Facility NOI.

Thank you,

Finley Vinson, P.E.
