Mr. Doug Szenher  
Arkansas Department of Environmental Quality  
Public Outreach and Assistance Division  
5301 Northshore Drive  
North Little Rock, AR 72118

Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third-party rulemaking because these operations will have short-term and long-term affects on quality of water, life and have had impact on tourism and the health of all.

Sincerely,

[Signature]

Judy (Signature) - Greens Co. Ar
