Dear Sir or Madam,

Arkansas Department of Environmental Quality
5301 Northshore Drive
North Little Rock, AR 72118

Re: Amending PC & E Regulations 5 and 6

I am in favor of these Amendments to ban new medium and large confined swine operations in the Buffalo River Watershed.

The existing swine CAFO at Mount Judea — which I understand these Amendments will not affect — is proving to be bad for everyone but the operator of the swine factory-farm. The Amendments will at least avoid compounding the problem.

Sincerely,

Kenneth L. Smith
