Mr. Doug Szenher  
Arkansas Department of Environmental Quality  
Public Outreach and Assistance Division  
5301 Northshore Drive  
North Little Rock, AR 72118  

Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third-party rulemaking because

The water quality should be free of pollution  
and a safe place for families and friends.

Sincerely,
