Arkansas Pollution Control and Ecology Commission

Regulation No. 5
Liquid Animal Waste Management Systems

INITIAL DRAFT

Submitted to the PC&E Commission: April 21, 2014
Regulation Number 5
Liquid Animal Waste Management Systems

Table of Contents

Chapter 1: TITLE, PURPOSE AND APPLICABILITY ...................................................... 1-1
  Reg. 5.101 Title ........................................................................................................ 1-1
  Reg. 5.102 Purpose ................................................................................................. 1-1
  Reg. 5.103 Applicability ....................................................................................... 1-1
  Reg. 5.104 Policy for Compliance ....................................................................... 1-1
  Reg. 5.105 Exemption .......................................................................................... 1-2

Chapter 2: DEFINITIONS .......................................................................................... 2-1
  Reg. 5.201 Definitions .......................................................................................... 2-1

Chapter 3: PERMIT, APPLICATIONS AND PROCEDURES ................................. 3-1
  Reg. 5.301 Requirements for a Permit ............................................................... 3-1
  Reg. 5.302 Permit Application Process .............................................................. 3-1
  Reg. 5.303 Prohibition ......................................................................................... 3-1
  Reg. 5.304 Reserved ............................................................................................ 3-1
  Reg. 5.305 Permit Modification ......................................................................... 3-1
  Reg. 5.306 Minor modifications of permits ....................................................... 3-2

Chapter 4: TECHNICAL REQUIREMENTS ............................................................... 4-1
  Reg. 5.401 Approval of Design ......................................................................... 4-1
  Reg. 5.402 Design Requirements ..................................................................... 4-1
  Reg. 5.403 Siting Requirements ....................................................................... 4-1
  Reg. 5.404 Subsurface Investigation Requirements ...................................... 4-1
  Reg. 5.405 Waste Management Plan ............................................................... 4-2
  Reg. 5.406 Land Application Requirements ..................................................... 4-2
  Reg. 5.407 Record Keeping Requirements ....................................................... 4-3

Chapter 5: FACILITY CONSTRUCTION CERTIFICATION .................................. 5-1
  Reg. 5.501 Facility Construction Certification .................................................... 5-1

Chapter 6: ALTERNATIVE PERMITTING AND WASTE MANAGEMENT .......... 6-1
Reg. 5.601 Permit for Land Application Site Only ......................................................... 6-1
Reg. 5.602 Composting ............................................................................................... 6-1
Chapter 7: FACILITY CLOSURE .............................................................................. 7-1
  Reg. 5.701 Closure Plan Required ......................................................................... 7-1
Chapter 8: ADMINISTRATIVE PROCEDURES .................................................... 8-1
  Reg. 5.801 Penalty Policy and Administrative Procedures .................................. 8-1
  Reg. 5.802 Severability ......................................................................................... 8-1
Chapter 9: WATERSHED SPECIFIC REGULATIONS ........................................ 9-1
  Reg. 5.901 Buffalo River Watershed ..................................................................... 9-1
Chapter 910: EFFECTIVE DATE ............................................................................ 910-1
  Reg. 5.91001 Effective Date .................................................................................. 910-1
Chapter 9: WATERSHED SPECIFIC REGULATIONS

Reg. 5.901 Buffalo National River Watershed

(A) The following definitions apply to Reg. 5.901:

(1) The “Buffalo National River Watershed” is the area within United States Geologic Service Hydrologic Unit Code 11010005.

(2) “Coverage” means a notice of coverage issued pursuant to a National Pollution Discharge Elimination System general permit and Regulation No. 6.

(B) The Director shall not issue a permit pursuant to Regulation No. 5 for a Confined Animal Operation in the Buffalo National River Watershed with:

(1) 750 or more swine weighing 55 pounds or more; or

(2) 3,000 or more swine weighing less than 55 pounds.

(C) Reg. 5.901(B) does not prohibit the Director from:

(1) Issuing a permit renewal or modification for a Confined Animal Operation in the Buffalo National River Watershed with an active permit as of the effective date of this regulation; or

(2) Issuing a new Regulation No. 5 permit for a facility which holds an active Regulation No. 6 permit or coverage as of the effective date of this regulation.

(D) A permit renewal, permit modification, or new permit issued pursuant to Reg. 5.901(C) shall not increase the number of swine permitted at a facility.
Chapter 9 10 : EFFECTIVE DATE

Reg. 5.91001  Effective Date

This regulation is effective ten (10) days after filing with the Secretary of State, the State Library and the Bureau of Legislative Research.
