RE: NPDES Permit Tracking Number AR0022004, AFIN 44-00018,
Missing Discharge Monitoring Report

Dear Mr. Garrett:

Upon review of the above-referenced file I have determined the Discharge Monitoring Report (DMR) for the **June 2013** Monitoring Period, Discharge Number TX1Q is not on file. Failure to submit required reports is a serious permit violation which could result in penalties under Part II, Section A of your permit, not to exceed \$10,000 per day of violation.

If you have already sent the DMR in question, please re-send a copy of it so we may place it on file and correct our records. The copy should be re-signed with an **original signature and date** by the Cognizant Official. If you have not sent the DMR in question, please do so immediately. Your response should reach the Department by **no later than December 6, 2013**.

Thank you for your attention to this matter. Please refer to NPDES Permit Tracking Number AR0022004 and AFIN 44-00018 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0630 or e-mail to layher@adeq.state.ar.us.

Sincerely,

April Layher
