RE: Certification- Final Compliance Deadline
Corrective Action Plan
Installation of Horizontal Mixers
NPDES Number: AR0022004; AFIN: 44-00018
Huntsville WWTP, Huntsville AR 72740

Dear Ms. Allen-Daniel:

This is to inform you the status of the corrective action plan (CAP) regarding the above referenced facility. All pertinent installations concerning the horizontal mixers have been completed in accordance with the stipulations of the CAP dated June 25, 2019. Since completion of the items in the CAP, the facility has been performing satisfactorily well.

At present, the infrastructure of the facility is in good order to the extent possible to continue to meet the terms and conditions of its NPDES permit.

Please be advised this will be the final report regarding this CAP in conformance with your letter dated August 22, 2019.

Sincerely,
McClelland Consulting Engineers, Inc.
