We feel this problem was due to:

Industrial loading from the Huntsville Butterball Plant.

We plan on correcting the problem in this manner:

Due to the inconsistant influent provided by our industrial user, we are reviewing and updating our pretreatment ordinance, with the possibility of more stringent limits for the industry.

Time estimated that it will take to correct problem:

The incident of non-compliance has been corrected by the industry prior to the writing of this report.

Sincerely,

January 22, 2024
