PROJECT PROPOSAL

In one sentence, explain what will be purchased with requested grant funds.

Grant Amount Requested \$ _____

Total Project Cost \$ _____

Other than E- Waste Recycling Grant funds, how are expenses for the continuation of this project to be funded (including maintenance, repairs, labor and operating expenses)?

Who will manage the finances of this grant and how may s/he be contacted? (Who is responsible for maintaining records of income and expenses related to this grant?)

PROJECT PROPOSAL (CONTINUED)

AR COMPUTER AND E-WASTE RECYCLING GRANTS

On a separate sheet, please describe your proposed project and explain why it is needed. At a minimum, answer the following: *(To curtail possible delays processing your application, please answer all questions completely. Examples of project descriptions are provided in the Overview & Application Instructions document.)*

1. Describe your current e- waste recycling program. Explain how it fits into your local solid waste management program and the overall district solid waste plan.
2. How will the proposed project enhance or improve the current e-waste recycling program?
3. What will the project accomplish and how will it be accomplished? How will success of the project be measured?
4. What actions will be taken to begin the project before pre-applications for the next grant round are submitted to ADEQ (January 1)? What actions will be taken to complete the project and spend all grant funds within three years?
5. Who will participate in and benefit from this project? How will they participate or benefit? If partnerships are involved, describe each partner's role in the project.
6. How will the public be made aware of e-waste recycling or other opportunities provided by this project? Describe the educational message to be delivered and the method(s) of delivery. When available, provide a copy of any materials developed.

Grant Proposals for E-Waste Recycling Equipment, E-Waste Recycling Facility, E-Waste Recycling Programs should also respond to the following questions:

7. Does existing mechanical processing equipment or facilities adequately serve the relevant area? If yes, the regional solid waste management board must determine that the requested equipment or facility is an indispensable component and would more efficiently serve the relevant area. Submit the board's rationale for the determination with the grant application.
8. If purchasing equipment or constructing facilities, provide a detailed description of these items. The description may include bid specifications, equipment brochures, drawings, illustrations, etc.
9. Provide the days and hours of operation and the physical location (address) for the equipment or facilities.
10. What materials will be collected as a direct result of this project? What are the plans for selling or reusing the materials?
11. How will the volume collected for recycling or diversion and revenue received as a result of this project be measured and recorded? Who is responsible for maintaining these records and how may s/he be contacted? Provide an estimate of new or increased tonnage collected or diverted as a result of this project.
12. Will the proposed project generate revenue? How? Will this revenue be enough to continue or expand the project?

PROJECT BUDGET

AR COMPUTER AND E-WASTE RECYCLING GRANTS

Please provide a separate sheet showing the budget for this project using the following headings and categorizing the expenditures using the numbered information as guidance. (See the example budget in the Overview & Application Instructions for one way of doing this.)

List of Items – Grant Request (\$) – Organizational Budget (\$) – Additional Information

Item	Grant Request	Organizational Budget	Additional Information
	\$	\$	

1. Salaries, Operational Labor – List project personnel, by position. Provide the percentage of this position's time to be devoted to the grant project in the additional information column. Salaries for forklift drivers, line workers, baler operators, etc., should be included in this listing.
2. Professional Services – List consultants, contractors, or others who will provide specialized services. List services to be provided in the additional information column.
3. Facilities – Costs associated with construction or expansion of recycling facilities. List percentage of the facility's time and/or space to be devoted to this project in the additional information column.
4. Equipment – Capital items (items whose lifespan would normally extend beyond a calendar year) to be purchased. List percentage of time this equipment will be used on this project in the additional information column.
5. Maintenance & Repairs – Costs associated with the upkeep and maintenance of facilities or equipment.
6. Materials & Supplies – Items that are expendable or consumed during the project. This may include office supplies such as paper, ink, envelopes, etc. or operational supplies such as baling wire, plastic bags, gloves, etc.
7. Transportation – Anticipated expenses for trucking, shipping or hauling recyclable materials.
8. Training – Costs associated with training staff, board members or applicants in areas directly related to recycling.
9. Education & Promotion – Costs, excluding salaries, to educate the public or promote the recycling program.

Don't forget to total the amounts for the Grant Request and Organizational Budget columns by category and provide a grand total.

Appendices that provide more information to help reviewers better understand the grant request may be included with complete grant application.

MINIMUM CONDITIONS OF RECYCLING GRANTS

AR COMPUTER AND E-WASTE RECYCLING GRANTS

All grants are subject to the requirements of A.C.A. 8-6-601 et. Seq. and Arkansas Pollution Control and Ecology Commission Regulation 11, Chapter Five: Computer and Electronic Equipment Recycling Grants Program.

The following items are not eligible for funding from recycling grants:

Taxes	Retroactive purchases	Vehicle registration
Reimbursement of funds	Legal fees	Utilities
Food	Licenses or permits	

GRANT RECIPIENTS AGREE TO:

- ◆ Actively develop an e-waste recycling program, as outlined in the grant application, and expend all grant funds in the three (3) years following the date of the grant award by the department.
- ◆ Actively seek to market or reuse the materials diverted under the recycling program from deposition in landfills in the period of three (3) years following the date of the grant award by the department.
- ◆ Start grant project before January 1, the date pre-applications for the next grant round are due to the department.
- ◆ Use equipment purchased with grant funds no less than 50 percent of the time on the purposes specified in the grant application.
- ◆ Use any interest earned on grant funds exclusively for recycling programs consistent with the Regional Solid Waste Management District's Solid Waste Management Plan.
- ◆ Maintain an orderly accounting system to document that grant expenditures are made in accordance with project budget. This includes keeping copies of all bids, paid invoices, canceled checks, and other appropriate paperwork.
- ◆ Report for five years after receipt of grant funds or until all funds are expended, whichever is longer, as directed by statute and regulation.
- ◆ Conform to all state laws on the purchase, use or sale of equipment and facilities secured with grant funds.
- ◆ Seek competitive bids or requests for proposals (RFP) for purchase of equipment or services as required by state and local procurement laws.
- ◆ Receive written approval from the Board and the department for any modifications to the grant, including requests for time extensions.
- ◆ Receive written consent from the Board and department before selling, trading or transferring facilities or equipment.

REGIONAL SOLID WASTE MANAGEMENT DISTRICT BOARDS AGREE TO ensure recipients conform to requirements and to:

- ◆ Establish or designate at least one adequate recyclable materials collection center in each county as required in Arkansas Pollution Control & Ecology Commission Regulation 28.
- ◆ Ensure the grantee show adequate revenues are being collected to support the long-term operation and maintenance of an e-waste grant-funded project prior to the disbursement of grant funds.
- ◆ Ensure all applicable federal, state and local permits and licenses have been obtained.
- ◆ **Ensure the project has begun before disbursing funds.**
- ◆ Notify ADEQ in the event a recipient has not met conditions of the approved grant application.
- ◆ Ensure that the project is compatible with the approved RSWMD plan on file with ADEQ or submit documentation demonstrating why a deviation is necessary.
- ◆ Compile annual reports as required.
